JUDGE WILLIAM P. LAWLOR
Candidate for Associate Justice of
the Supreme Court

Judge Lawlor Was Here Last Night

Judge William P. Lawlor, one of
the Democratic nominees for asso-
ciate justice of the supreme court,
was a visitor in Santa Ana last night,
and met a number of citizens while
here. He is out at work in the inter-
ests of his candidacy, doing so quiet-
ly and without public meetings.

Judge Lawlor is often spoken of
as "the judge who stood up straight
in the graft prosecutions in San
Francisco," where for twelve years
he has been on the superior bench.

WAS MR. PRESIDENT JOKING OR DID HE REALLY MEAN IT?

Taft Slyly Intimated Today He
Would Not Run For Presi-
dency in 1912

WASHINGTON, Nov. 2.—President
Taft threw Washington into excite-
ment today when he intimated that he
would not be a candidate for the presi-
dency in 1912.

Administration officials and news-
paper correspondents immediately
tried to verify the report and it de-
veloped that the president had re-
plied to an invitation from the ladies
of the Sisterhood of Rodeph Shalom,
a Jewish organization, to address
them at Pittsburg in 1914 by saying:
"Thank you, ladies, I will be living
in Cincinnati then and I will be de-
lighted to run over."

Whether it was a whim of Presi-
dent Taft to announce his probable
retirement in that way, or whether he
was having a quiet joke cannot be de-
termined.

SPAIN JAILS MANY REVOLUTIONISTS

Hardly Bastilles Enough For
Them—News of Situation
Is Strictly Censored

LONDON, Nov. 2.—Lisbon dis-
patches confirm the reports of whole-
sale arrests in Spain in connection
with a revolutionary plot unearthed
by the Crown's agents. The jails of
the principal cities are crowded,
and a strict news censorship has
been established.

It is persistently rumored that
bloody rioting has occurred in Barce-
lona and Madrid, but London and
Paris paper correspondents have
been unable to confirm the reports,
although acute to the situation. The
plot discovered included a general
uprising scheduled for today or to-
morrow.

FRANCE LOST CABINET IN STRENUOUS DISPUTE

Resignations Result of Briand's
Policy in Late Railroad
Labor Strike

PREMIER ASKED TO JOIN
CABINET IN WALK-OUT

President Fallieres Prevailed
on Him to Remain and
Name New Advisers

PARIS, Nov. 2.—After a stormy
session today the French cabinet re-
signed. This action was precipitated
by a vindictive debate over Premier
Briand's methods of handling the re-
cent railroad strike.

It is understood that Premier
Briand will be retained and will form
a new cabinet, retaining some of the
old ministers. The names of the new
cabinet will probably be submitted to
the Chamber of Deputies tomorrow.

According to popular belief Briand
intends to retain Minister of Public
Works Milleur, Foreign Minister Pin-
chot, Minister of War Brun, and Min-
ister of the Navy Payre.

**BRIAND WISHES TO RESIGN—
FALLIERES IS UNWILLING**
President Fallieres and Premier
Briand held a long conference tonight
to consider Briand's request that he
be permitted to resign. It is believed
the president is making an effort to
keep him at the head of affairs. The
men were closeted for more than
three hours.

In tendering the cabinet resigna-
tions Premier Briand wrote to Presi-
dent Fallieres that he feels himself
personally attacked and wishes to re-
sign. It is not believed his personal
resignation will be accepted.

**PREMIER WILL STAY WITH
POSITION—NAMES CABINET**

PARIS, Nov. 2.—Following the
conference of Premier Briand and Presi-
dent Fallieres, it was reported that
Briand had agreed not to resign, that
he has prepared his cabinet list al-
ready and has forwarded it to the
president for his approval. It is ex-
pected the new cabinet will be an-
nounced officially tomorrow.

DELEGATES WAITED WITH FOLDED ARMS

Printer Was Late With Copies
of Measures That Will
be Fought Over

PHOENIX, Nov. 2.—Throughout
the morning the delegates to the con-
stitutional convention sat with folded
hands waiting for the printer to de-
liver copies of the initiative and refer-
endum propositions, around which the
fight of the convention is expected to
center.

The chaplain's prayer was the only
routine event of the morning's ses-
sion, except the taking of a flashlight
picture for an eastern magazine.
After the delegates had adjourned
the printed propositions arrived. It
was expected they would take up the
discussion of them this afternoon.

The Republican minority is op-
posed to both measures in any form,
but it is believed they will consent if
a compromise can be reached com-
pelling a high percentage of signa-
tures to secure the enforcement of
either measure.

"MAINE" WAS BLOWN UP SAYS COL. BRADY

Mc Kinley Knew
All of Dire
Facts

Brady Declares the Man Who
Touched off Fuse Was Ex-
ecuted—Story Ridiculed

KANSAS CITY, Nov. 2.—Colonel
Jasper Brady, member of the Board
of Commissioners recently appointed
to investigate the explosion of the
battleship Maine, in a speech here
declared that President McKinley and
his cabinet knew before war with
Spain was declared that the Maine
was destroyed by a submarine mine
controlled from Moro Castle; that
they knew the name of the man who
threw the switch, and had a piece of
the controlling wire in the safe of
the Navy department.

The man who threw the switch was
Jose Zavala, a Cuban electrician, he
said. Zavala was later executed by
the Spaniards, fearing he would di-
vulge the secret. Brady declared the
reason for making public the facts
was that since the Maine was soon to
be raised, his story would be proven
by the nature of the hole in the ship's
hull. The information that President
McKinley received was secured by
government agents, said Brady.

**COL. BRADY'S STORY OF THE
"MAINE" DUBBED RIDICULOUS**

WASHINGTON, Nov. 2.—Officers
high in the army and navy service
brand as ridiculous Colonel Brady's
statements at Kansas City concerning
the destruction of the battleship
Maine, and the war department de-
nies that a piece of the cable used in
the destruction of the ship is now in
the custody of the department.

Col. Brady's detailed account was
received with interest, but no officers
could be found who were able to ver-
ify the story.

RIOTS IN CHICAGO OCCURRED TODAY

None Seriously Hurt—Shot
Scattered Strikers—Society
Women Roughly Handled

CHICAGO, Nov. 2.—Rioting be-
tween the police and the striking
garment makers was resumed at noon.
Officers charged the strikers and their
sympathizers, firing their night sticks.
One policeman fired into the crowd of
strikers, and the society women act-
ing as pickets were roughly handled.
The disturbance was caused by the
refusal of the strikers to leave an
open shop factory where they had
assembled. The mob fought until the
shot was fired, then fled. None were
reported as seriously hurt during the
riots.

**SOCIETY WOMEN STILL
FAITHFUL TO STRIKERS**

CHICAGO, Nov. 2.—Undiscouraged
by the riots of yesterday in which sev-
eral were injured, society women and
girls resumed picketing for the strik-
ing garment makers today.

Early this morning automobiles
loaded with women of the smart set
came from the fashionable residence
districts and left their occupants in
the strike district. The majority of
the wealthy women picketing were
dressed as working girls.

**PROTEST AGAINST USE
OF CLUBS BY POLICE**

A delegation of strikers called on
Chief of Police Seward and protest-
ed against the use of clubs by the
police officers.

"My men use their clubs when
necessary," Seward replied. "If
there are any cases of brutality, I
will investigate them when the
strike is over."

As To Those "Moral Flatitudes"

As to Those "Moral Flatitudes"
Fault is found with Theodore
Roosevelt because he revamps
for repeated use those moral pre-
cepts that were ages old before
he was born, instead of adding
anything to the world's new
store of knowledge. In the lan-
guage of one who has seen
more than ninety years of life
in this world, "Democracy is im-
possible with any people that
has not a moral sense," and not
for nineteen hundred years has
the world had a man who has so
revived and vitalized the moral
sense of forgetful humanity as
has this same "preacher of plat-
itudes," Theodore Roosevelt. And
what a fight he is now making
in New York for just the things
that Hiram Johnson is fighting
for in California and with pre-
cisely the same influences mar-
shaled against him behind the
mask of an unobjectionable but
pliant personality! — California

75,000 Majority

SAN FRANCISCO, Nov. 2.—Betting
on the result of the gubernatorial
election is in full swing today and a
flood of Johnson money is pouring in
to the betting commissioners.

Johnson starts as a two to one
favorite over Bell. Even money was
offered today that he would carry the
state by twenty-five thousand. Some
Bell money appeared at eight to ten
that Bell would carry San Francisco.

**SOCIALISTS EXPECTING
160,000 VOTES IN STATE**

LOS ANGELES, Nov. 2.—That the
Socialist ticket will poll one hundred
and sixty thousand votes in the Cal-
ifornia election next Tuesday is the
prediction of Fred C. Wheeler, Social-
ist gubernatorial candidate. He de-
clared that he will get the entire state
labor vote, the majority of the unions
already being pledged.

**SMITH PREDICTS HIS OWN
AND JOHNSON'S VICTORY**

BAKERSFIELD, Nov. 2.—Congress-
man Smith returned today from a
campaign tour of the Eighth district.
He predicts his re-election by a large
majority and declared the Eighth dis-
trict would give Johnson a large ma-
jority.

He predicted Johnson's majority in
the state would be seventy-five thou-
sand.

he will speak at Davenport, Des

dence was discovered in the Ranous

derneath the floor of the stable in or-
near which the murder was commit-
ted.

the old man was killed by a blow on

MAYOR GAYNOR GOT BUSY ON EXPRESS STRIKE AND LOOKS FOR SETTLEMENT

Merchants Association Also Takes Hand
In Affair—Strikers Issued 48-
Hour Ultimatum

NEW YORK, Nov. 2.—The Mer-
chants' Association of New York this
afternoon took a hand in the strike,
and secured the consent of the gen-
eral organizer of the strikers to con-
fer with the express companies as to
a conference. Mayor Gaynor confer-
red with officials of the United
States Express Company this after-
noon, and later announced he be-
lieved the strike would be settled
soon. Tonight Mayor Gaynor will
meet Mayor Penn of Jersey City.

**ULTIMATUM WAS ISSUED
BY STRIKERS THIS MORNING**
NEW YORK, Nov. 2.—Forty-eight
hours grace has been allowed the ex-
press companies by the striking em-
ployes in an ultimatum issued this
morning. Unless the companies con-
sent to a general conference before
tomorrow night, every union driver

in New York will be called out, ac-
cording to Vice President Hoffmann
of the International Brotherhood of
Teamsters.

No police guards appeared on the
seats of the wagons with the strike-
breaking drivers today, although
mounted police accompanied all the
wagons.

The drivers of the Westcott Auto-
mobile Express Company struck last
night, and refused to take out taxi-
deliveries today.

**MAYOR GAYNOR AGREES
TO ACT AS ARBITRATOR**

The Civic Federation this afternoon
requested Mayor Gaynor to act as ar-
bitrator. Gaynor agreed.

The union leaders announced their
willingness to order the drivers back
to work immediately if the com-
panies will consent to arbitration.

BICYCLIST'S HAND CRIPPLED IN COLLISION WITH MACHINE

Mr. Black, an employee of the
Southern California Sugar Co., liv-
ing at 63 North Baker street, had
his left hand badly injured in a col-
lision with C. M. Jordan's automo-
bile at the corner of Main and Sec-
ond streets last night about 6:45 o'-
clock. No blame is attached to the
automobilist by Black.

Jordan was going east on Second,
expecting to turn north on Main. As
he came to the crossing he saw a
buggy going south on Main ap-
proaching the crossing. Jordan slow-

ed almost to a standstill and waited
for the buggy to pass. Black, on a
bicycle, was hurrying south on Main
to his work. Thinking to pass the
buggy he turned quickly to the right
of it. Though he saw Jordan's lights
he could not stop and went squarely
into the side of the automobile.

Black fell to the pavement beside
the machine and Jordan stepped out
beside him, helped him into the au-
tomobile and took him to Black's home.
Several bones in Black's fingers were
broken and he was dazed for several
minutes.

TVIETMOE AMONG 'FRISCO WITNESSES

All Mentioned in Connection
With Times Explosion Ar-
rive From 'Frisco

LOS ANGELES, Nov. 2.—The
Times grand jury resumed its hear-
ings this morning. The officers with
the witnesses subpoenaed in San
Francisco arrived on an early train.
The San Franciscans apparently sepa-
rated on the train, and it was im-
possible to learn how many arrived.
Labor headquarters was crowded
with unionists anxious to know if
their friends in San Francisco had
been subpoenaed.

**TVIETMOE AMONG
FRISCO WITNESSES**

O. A. Tviemo, the San Francisco
labor leader, was among those sub-
poenaed. During the morning he
held a long conference with the local
labor attorneys, but he refused to di-
vulge its significance.

At noon Judge Bordwell announced
the names of twenty-six witnesses
from San Francisco. The list in-
cluded practically every person re-
mentioned in connection with the
Times affair. These will be sum-
moned before the jury this afternoon
or tomorrow.

San Franciscans Disappear

The San Francisco delegation mys-
teriously disappeared after arriving.
They failed during the morning to re-
gister at the Baltimore Hotel, where
they were supposed to go, or at labor
headquarters. Many new faces ap-
peared in the crowds in the corridors
of the court house, but because the
newspapermen are not permitted to
speak to persons in the corridors, they
were unable to ascertain what ones
comprised the San Franciscans.

AL LIVINGSTONE DEAD AT ATLANTA

Pinned Under Overturned Auto
Daring Driver Received
Fatal Injuries

ATLANTA, Ga., Nov. 2.—Al Liv-
ingstone, the Los Angeles dare-devil
driver of racing cars, was mortally
crushed on the Atlanta speedway
yesterday afternoon and died last
night at the Grady hospital without
recovering consciousness. Living-
stone had just received a new racing
car from the National factory in In-
dianapolis and was trying it out later
in the afternoon. He drove two
laps at record speed, and while in
the third lap the rear wheel collapse-
d, the terrific speed causing the car
to turn over, pinning the unfortunate
fellow underneath the wreck. The
driver's wife was in the press stand,
but as the scene of the accident was
obscured by a clump of trees, did not
know that her husband had suffered
more than a slight break-down of his
car. She returned to the city in ig-
norance of the real result.

Barney Oldfield was the first to
reach Livingstone, and the Los An-
geles boy was rushed to the hospital.
A corps of surgeons worked for five
hours to save his life. A terrible
wound in the front of the head and
a fracture at the base of the brain
were the fatal wounds. Livingstone's
mother and sister were in the city
on a visit to the driver and his wife,
both planning to witness for the first
time an exhibition of Livingstone's
skill at the steering wheel in Thurs-
day's races.

Fullerton Has Fine Building—
School Teacher Rides on
Sidewalk and is Arrested

FULLERTON, Nov. 1.—The Polytechnic High School of the Fullerton Union High School district has just been completed by the contractors, Dawson & Daniels, of Pasadena, and will be ready for occupancy next Monday. This is an unusually fine school building for a town no larger than Fullerton.

The work of building was commenced June 18, since which date there has been quite a force of men engaged there. The structure stands at the rear of the High School building. It is 48x72 feet in size, is a wooden structure of two stories, has cement plaster on the outside and a composition roof. There are twelve large class or work rooms. The cost of this building will be \$20,000.

Miss Lena Ingraham, a teacher of art in the high schools here, was arrested last evening by Marshal Stone and was taken before Judge Kinney who fined her \$20 for riding a bicycle on the sidewalks of the city. She had been warned by the town officer about the practice of riding on the walks, but failed to heed the admonition. Her fine was suspended during the time she forgets to ride on the walks.

Julia Ward Howe Tent, Number 7, Daughters of Veterans, was organized in this place last evening with twenty-four charter members. The institution work was done by Mary A. Logan Tent of Orange, and at its conclusion there was a spread which all enjoyed.

Orange Trustees Prepare to
Use Vrooman Act Pressure
On Sewer District

Orange News: Pushing preparations for an inside sewer system to connect with the outfall sewer, the board of trustees last night ordered the drafting of a declaration of intention to sewer a district lying between Walnut and Palmyra avenues, and between Batavia and Cambridge streets that covers the most heavily populated portion of the town.

This action of the trustees puts it directly up to the property owners whether they will come in voluntarily to share the expense of the district sewer, or whether the board will be required to proceed to build under the Vrooman Act. The result will be the same—the sewer will be installed, but in the latter case the expense will be from 15 to 20 per cent greater both to the city and to the property owner.

It is not anticipated that it will be necessary to invoke the Vrooman Act, which is both expensive and slow, because of the advertising required, as G. W. Buchanan, who, as agent for the board is interviewing the property owners, has found few unwilling to share in the expense. However, it is thought best to make preparations to force the work in should some of the property owners balk.

The streets which are included in the declaration of intention are: Chapman from Batavia to Cambridge.

Cypress from Chapman to Palmyra. Lemon from Palmyra to Palm.

Olive from Palmyra to half block north of Palm.

Glassell from Palmyra to Walnut. Orange from Palmyra to High School.

Grand from Palmyra to Palm. Center from Palmyra to Sycamore.

Washington from Shaffer to Cambridge.

Almond from Shaffer to Harwood.

EDISON TALK NO. 3

A Natural Monopoly

The Edison Motto:

Good Service, Square
Dealing and Courteous
Treatment.

A natural monopoly is the antithesis of unnatural competition. It is the supplying of a perfect service to many people from one source, rather than the supplying of an indifferent service from two or more sources, thereby preventing unnecessary investment of capital, unnecessary waste in operation, and encouraging the conservation of money and energy for other needed enterprises. This is one of the fundamental laws of economics, and its inflexible working has been proven by thousands of attempts to counteract it, and at the expense of billions upon billions of dollars.

What Mayor A. C. Evans of Riverside Says About Natural Monopolies

The following is from an open letter on the municipal ownership question written by Mayor Evans on June 12, 1910: "In my judgment any municipal (referring to electric lights) to be a success must be a municipal monopoly."

What Mayor Earley of Pasadena Says About Natural Monopolies

The following is from an official transcript of an address by Mayor Thomas Earley of Pasadena, delivered October 13, 1910:

"One of the things I think is essential in every city that goes into municipal lighting is, that they should control absolutely all the light and all the power that is in that city if they go into the business, and I want to say that today I would think that Pasadena would be away ahead if they would have given the Edison company \$100,000.00 and not received a cent in return, only just to say to them, 'We would like to do all the business of our city,' and I think we would be money ahead by doing it."

If it is impossible to compete with a natural monopoly, what protection has a citizen and consumer against being overcharged for his service by a monopoly?

The law of California.

What does the law provide?

That boards of trustees, city councils and other governing and regulating boards, shall fix the prices of electric and other public services which are supplied by corporations to the people.

What are the limitations placed by the law upon the action of such regulative bodies?

That the rates shall not be higher than necessary to pay a reasonable operating profit on the business, nor lower than will return the same to the investor. No one need pay exorbitant prices when the buyer has the power to fix reasonable prices.

If Our Service is
Satisfactory,
Tell Others.
If Not, Tell Us.

AND STILL THEY COME

James A. Johnston, a former supervisor of San Francisco, one of the city's best known business men, and a life long Democrat, prominent in the councils of that party, is out for Hiram W. Johnson and gives the following reasons:

"Heretofore I have been a Democrat, but this election, notwithstanding the high regard I have for the Democratic nominee for governor, I am going to vote for Hiram Johnson. The situation calls for a man of the Johnson type—the man of action, able, alert, vigorous, aggressive and unyielding.

"From the first he has taken a positive stand from which he has not deviated. He is not a compromiser and he is not a trimmer. His eloquent voice has not been used, as, unfortunately, so many eloquent men have used theirs, for the purpose of concealing their thoughts and their plans, but, on the contrary, he has made of every occasion an opportunity to tell the people just how he stands and where he stands. Clearly, forcibly and without equivocation he has expressed himself concerning issues that are vital to our American political life. His utterances are convincing because sincere, and because sincere inspire confidence. Indeed, his unhesitating and uncompromising attitude is refreshing when compared to the vacillating, vote seeking campaigning of so many of our public men.

"The city, the state and the nation need in public life men of his type—men who place principle above political gladhanding as much as is needed a citizenship that places principle above party name."

CITRUS FRUITS
MAY GO BY WATER

Eastern Shipments Proposed
By Cheesebrough Steamship Company

LOS ANGELES HARBOR, Nov. 2.—Citrus fruits may soon be shipped from this coast to New York by water if the efforts of H. H. Bates of the Bates & Cheesebrough Steamship Company are looked upon favorably by the fruit growers of California. He is at Los Angeles Harbor superintending the loading of a miscellaneous cargo on the steamer Geo. W. Fenwick, bound for Ancon.

Mr. Bates is of the opinion that citrus fruits can be successfully handled in this way and is desirous of demonstrating this fact by taking a shipment of lemons. So certain is he that the fruit will arrive in New York in good condition that he says his firm will charge nothing for its services should the cargo not arrive in good shape.

The saving to shippers using the water route over that of the railroad is said to be considerable, and Mr. Bates is confident that shippers generally will take advantage of this. If they do, Los Angeles will be made a regular port of call for the vessels of this company.

It is estimated that the time consumed between this port and New York will be twenty-eight days.

Santa Ana People tell you how they act.

Mrs. M. W. Davis, 768 Cypress Ave., Santa Ana, Calif., says: "Doan's Kidney Pills have been used in our family off and on for several years and the fact that they are a reliable kidney remedy has been proven beyond a doubt. The party who has used Doan's Kidney Pills was severely afflicted with kidney trouble, the chief symptom being pains in the back. On a number of occasions this person was obliged to quit work, owing to the severeness of the attacks. Doan's Kidney Pills brought prompt relief and they have been an unfailing means of relief in this case since."

A Plea for Patriotism

Editor Register:—In passing by our local High School building, I have noticed a rag of some description at the top of the flagpole. I have wondered what sort of loyalty and patriotism this rag symbolizes, and others have remarked about the same thing. Do the Stars and Stripes mean anything at this institution, where the nation's future standard-bearers are being trained? We, who have carried that grand old flag over many a hard-fought field, cannot so easily bear the sight of a miserable rag taking the place of honor where the Stars and Stripes should be. It may be that we are too zealous, but we hope that the same kind of loyalty and patriotism is being instilled into the minds of the coming generation.

L. HILLIARD,
An Old Soldier.

A Mother's Plea

A few weeks ago a young man at Bakersfield died of delirium tremens, and the broken-hearted mother, in her anguish at his grave, cried out that she would have to leave her boy there forever and forever, as the word of God says the drunkard cannot enter the Kingdom of God. The minister that preached the young man's funeral clenched his fist and said he would fight the liquor traffic as long as God gave him breath.

How is it with you, ministers and church members of Orange county? Are you going to vote that Heaven will be robbed of souls of men that Jesus died to save?

A few weeks ago a little boy asked a friend of the writer of this (and a singer, who was in Santa Ana last Friday, Mrs. Pain) if she could stop them selling whiskey in Los Angeles. She said she would do all she could, and asked, "Why, little boy, why?" The child replied: "My Papa drinks and spends all of his money and I have to go ragged to school, and the children call me Ragged Bill, and if you could make them stop selling whiskey I could have good clothes, and mamma could have nice things."

Voter, are you going to help that little boy have good clothes?

Not long ago my little grandson (motherless) was playing on the foot of my bed early in the morning. He got down and went out. I fell asleep and in a dream I saw that baby boy grow up to manhood, dressed in fine clothes, and he was reeling all around, as he was drunk.

Voters, are you going to help save that boy by voting the liquor traffic out? My prayer is that you may, or you will be weighed in the balance and found wanting.

**BABIZE STUDIO OF
MUSIC AND ART**

—The beautiful toned Gibson mandolins and guitars are here for your inspection. If you will call at the Studio of Music and Art Store, Mr. Babize will be pleased to demonstrate these superb instruments. They are in a class by themselves and the price is within the reach of all. We are willing to compare the cheapest Gibson made with any other make at any price. That's saying a good deal but facts are stubborn things. Don't take our word alone but the word and written acknowledgement of all practical and foremost soloists, and mandolin and guitar clubs and orchestras in the entire country. It will be time well spent to see and hear the good qualities of the king of mandolins and guitars at the Studio of Music and Art Store.

Society**Hallowe'en Party**

One of the jolliest of the Hallowe'en parties of Monday evening was presided over by Mr. and Mrs. Henry Rutherford at their home, where they made life a real pleasure for several of their friends. Observing the "eternal fitness of things," the guests appeared in ghostly gowns of white and in the spookish disguise frolicked as Hallowe'en ghosts only can.

Later, as ordinary mortals, they played whist and won prizes in the usual way. Mrs. H. D. Connell and R. H. Sanborn, Jr., making high scores, and Mrs. Fred Parsons and L. A. Collier being satisfied with the consolation awards.

In the dining rooms, a Hallowe'en feast was spread with covers for Messrs. and Mesdames L. A. Collier, H. D. Connell, Frank Remsburg, Fred Parsons, J. W. Tubbs, R. H. Sanborn, Jr., Joe Parsons, and Mr. Hal McCullough.

Final Band Concert

The season's final open air concert, by the Santa Ana City Band, will be given from the courthouse steps Saturday afternoon, November 5, from 1:30 to 3 o'clock. In addition to a number of new selections, the band will play, by special request, the Hunting Scene, by Bucalossi, and conclude the program with Sweet's descriptive Military Fantasia, the Battle of San Juan Hill.

A cordial invitation is extended to the public. The program in detail will appear in Friday's papers.

Annual Supper

The annual supper of the Congregational church will be held tonight in the dining room of the church at 6:30 o'clock. All members of the church and congregation are invited to be present.

Praises "Jim" Smart

James Smart is not only one of the star football players of Occidental College, but is one of the star vocalists also. At a tryout and practice of the Glee Club of the college last night for its annual Christmas tour, he was chosen for membership.

Of Smart's excellence in football, the Examiner of this morning says: "Jim Smart, the big Oxy tackle,

will be in the game Saturday. Smart is one of the best tackles in the South and his work on the defense has caused more than one southern coach to sit up nights figuring a way to break through his side of the line."

Social Club

The clubs are resuming their meetings one by one after the long summer vacation and the members are finding real pleasure in again greeting each other in their club relations.

The Social Club held its first meeting for the season of 1910-1911 yesterday afternoon at the home of Mrs. A. B. Gardner. The house was decked with a profusion of roses, and the hostess served delectable refreshments at the close of an afternoon pleasantly spent in fancy work and conversation. The next meeting of the club will be held with Mrs. G. N. Greer.

C. J. Woodford Banqueted

The Sunset Club of this city last evening indulged in a delightful social function which was enjoyed by forty of its members, the event shaping itself as a 7 o'clock dinner in honor of one of its most popular members, Mr. Chas. J. Woodford, who has just returned from New York state for his usual winter's sojourn in Santa Ana. Mr. Woodford has come to consider the Sunset Club as his "home," and his energy and generosity in advancing the interests and attractions of the club have long been appreciated by its members. Last night's dinner was a surprise to him and was a great success in every way. The menu consisted of three courses, oysters with the usual relishes, a fruit salad and desert, and was served in the beautiful card room of the club with a most tasteful and attractive arrangement, by Mr. Barrett, of the Cafeteria.

During the dinner the company was entertained by D. Edson Smith with his graphophone, a splendid instrument, supplied with many of the best records.

Following the repast, Carey R. Smith, president of the club, assumed charge as toastmaster, and after a few happy and timely remarks, called for responses to the following toasts:

"Early History of the Sunset Club"—H. C. Kellogg.
"Club Life"—Linn L. Shaw.
"Club Life Not Degrading"—H. McPhee.
"Our Honored Guest"—Lou P. Hickox.

Mr. Woodford made a feeling response to this last toast, earnestly expressing his appreciation of the event, and modestly disclaiming the honor carried with it. His reference to C. W. Hannah, another generous and energetic spirit in club improvement, brought forth vigorous applause, and Mr. Hannah was compelled also to respond to the general demand for a speech.

C. A. Gustlin, a warm personal friend of Mr. Woodford, and a guest of the club for the evening, was called upon and closed the speech-making with a brief address.

Following the toasts, games and music were indulged in, including two beautiful numbers by Mr. Gustlin on three piano, and at 11 o'clock the happy company adjourned.

Sunshine Society Bazaar

A worthy philanthropy is that of the Sunshine Society, and the bazaar to be given Saturday afternoon and evening in the Main Arcade, should be liberally patronized.

The ladies will have aprons, bags and fancy articles for sale, and as the money goes to the relief of those in need of the "sunshine" of comfort and aid, a helping hand should be given to the ladies who are unselfishly managing the bazaar.

Shower for Miss Hill

A shower for Miss Elizabeth Hill was given last night by a number of her girl friends in anticipation of her approaching marriage to Wilfred Lewis this month. The delightful affair took place at the home of W. W. Wilson, and took the young lady completely by surprise.

White chrysanthemums adorned the parlor and the dining room was lovely in decorations of yellow and white chrysanthemums.

The shower resulted in many beautiful gifts and took place after several merry games and music by an excellent phonograph. Delicious refreshments were served at a prettily adorned table, where a unique centerpiece was the observed of all observers. It was a shoe belonging to Mr. Lewis, that, handsomely gilded, rested serenely on a mirror.

Besides Miss Hill, the guests were Misses Janie and Amelia Glens, Crystal Morrison, Cora Hayhurst, Mary Wilson, Lena Smith, Cora Davenport, Ora Coleman, Minnie Wilson, Laura Wilson; Mesdames Will Titchenal, Oscar Witt, W. W. Shields, Lambert, Joe Fallert.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, Ohio.

**W. C. T. U. EXECUTIVE WAS
HELD AT VILLA PARK**

The Orange County Executive and Institute was held in Villa Park on Tuesday at 10 a. m. A large number of ladies from over the county came in carriages and automobiles to this beautiful little villa near the foothills.

The visitors were warmly greeted by the ladies of the Villa Park union who had made the church beautiful with many roses and chrysanthemums. Each union from the county had representatives present. Santa Ana was represented by Mesdames Hill, Warren, Kellogg, Stroupe and Rogers, Miss Cox, Miss Kerl. Mrs. Norman, the county president, was absent on account of having to fill a place in the Orange schools for one of the teachers of that place. Mrs. Anna Hill, vice-president, presided. Secretary Mrs. Warren read the minutes of the meeting held in Newport Beach, and also gave the treasurer's report in the absence of Mrs. Paine and Mrs. Tedford, assistant treasurer. The report showed a balance of \$55.83.

Mrs. Lee of Villa Park led the devotional service. All joined in singing "He Leadeth Me." Mrs. Belle Rogers, county parliamentarian read the revised county constitution and by-laws.

Mrs. Marie Yoeman, president of the Anaheim union read a very interesting paper on "Rescue Work and Purity." This paper was written by Mrs. Mary Crone, superintendent of that department, who was unable to be present.

The presidents of each union of the county told of what they were doing and were planning to do. Mrs. Yoeman spoke for Anaheim; Mrs. Jessup, El Modena; Mrs. Chaffee, Garden Grove; Mrs. Haffer, Garden Grove Y's; Mrs. Schrack, Huntington Beach; Mrs. Granger, Orange; Mrs. Warren, Santa Ana; Mrs. Shatto, Tustin; Mrs. Lord, Villa Park; Mrs. Shatto for Y's of Tustin, and Mrs. Hill for Santa Ana Y's. All reported good work being done in the unions, including receptions for their teachers and extra efforts in scientific temperance instruction being made in most of the unions. The reports show the temperance work is progressing finely in all lines. Mrs. Ralph of Orange led in noonday prayer.

The ladies of Villa Park had prepared a splendid luncheon for the executive and all repaired to the dining room where a good social hour was enjoyed. Seventy ladies were present at dinner.

The president called the Institute to order at 1:30 p. m. Mrs. Chaffee of Garden Grove led the devotional service. The union sang, "There is Sunshine in My Soul Today."

Mrs. Ralph of Orange read a splendid paper on "The Effect of Alcohol on the American People."

Mrs. Stearns and Miss Finney of Tustin favored the union with a beautiful duet, "Prohibition Bells," accompanied by Mrs. Ebell.

A paper on Mothers' Meetings, prepared by Mrs. J. C. Mason of Huntington Beach, superintendent of that department was read by Mrs. Schrack of that place. Miss Emily Cox gave a report of the Purity Congress, lately held in Los Angeles, and the company joined in the song "Rescue the Perishing." Each union of the county furnished a part on the program and the result was a number of excellent papers, with discussion following these papers.

The next executive will be held in Santa Ana in February, 1911. The Institute closed by singing "God be With

Miss Sophia Pohndorff, who for three years was bookkeeper at the Santa Ana Produce Co., and resigned her position to take a course in shorthand at Orange County Business College, was sent by President McCormac to a position as bookkeeper and stenographer for N. A. Ulm at the Santa Ana Book Store yesterday.

Miss Nellie Kennedy of the shorthand department, who was sent to a temporary position to relieve a stenographer on a vacation in the office of the Abstract & Title Guarantee Co., this city, has been engaged permanently because of her superior qualifications as a stenographer.

Mr. Geo. Adams of the business department, has a position with the Farmers & Merchants' National Bank, of this city.

Miss Margery Condon of the bookkeeping department, who was placed by the school with the Pacific Telephone Co., this city, some time ago, gave such good satisfaction that the manager of the company applied for two more graduates of this school. Miss Adylene Mitchell and Mr. George Vance were recommended and employed, and it is expected they will "make good" as all Orange County Business College graduates do.

Miss Jennie McDonnell of Tustin, former telephone operator of that place, enrolled for a course of shorthand in Orange County Business College Nov. 1.

WHY THEY FAIL

Most Pile Remedies Miss the Cause of Piles.

Disagreeable treatment with ointments or suppositories usually fails to cure piles and cutting them off won't remove the cause. Such treatment only moderates the outside effects of the disease and fails to remedy the inside cause. The up-to-date doctors use internal medicine, to free the circulation in the lower bowel, and so remove the disease.

Dr. Leonhardt's Hem-Roid, the first and only guaranteed internal pile cure—in the form of tablets—cures any kind of piles. Sold by Rowley Drug Co., Santa Ana, Cal. \$1 for large box. Dr. Leonhardt Co., Station B, Buffalo, N. Y.

Members were present representing the Christian, Methodist Episcopal, South, Presbyterian, Baptist, Congregational, First Methodist Episcopal, Immanuel Baptist and United Presbyterian churches.

Attorney S. S. Finley gave the address of the evening on the subject of "Needed Reforms in Our Criminal Laws." The discussion that followed indicated the need of every citizen becoming informed as to the present situation, and also the need that the legislature at its next session should remedy existing conditions.

Attorneys Finley and West were appointed a committee to present to the next meeting of the Federation drafts of such legislation as should be enacted.

A hearty vote of thanks was given Attorney Finley for his interesting and timely address. After transacting the routine business the Federation adjourned.

O'NEILL WAS MILLIONAIRE

Appraisement of Poiner's Estate Filed in Los Angeles—Egan An Appraiser

An inventory filed yesterday in the office of the San Diego county clerk shows that the late Richard O'Neill was more than a millionaire. The appraisers, according to their report, find that the late rancher owned miscellaneous property valued at \$400,000. This is exclusive of the great Santa Margarita, Mission Viejo and Trabuco ranches, the last two named being in Orange county, which, before his death, were deeded to his son, Jerome O'Neill; also vast realty holdings in San Francisco, which before his death were deeded to relatives there.

The inventory of that portion of the estate which is yet to be probated was ordered by the superior court on petition of the executor, Jerome O'Neill, son of the deceased and principal beneficiary of the will of his father.

The inventory was made by Cave J. Coutts, Richard Egan and Simon Goldbaum, lifelong friends of the pioneer rancher. They passed several days going over the property subject to probate, estimating values in accordance with their best information. The appraisement papers were passed on by Hunsaker & Britt, a Los Angeles legal firm, representing the estate.

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliancy which like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change. Ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native American medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve tonic adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

LOS ANGELES PRODUCE MARKET

Persimmons, the puckering pear, as they are sometimes called, are ripe. They are arriving daily in large quantities from all parts of the state, and the demand for them is good. At present they are still pretty hard, and those which are received must first go through a curing process which removes the pucker producer partly, and which mellows the fruit greatly. The price on persimmons at present is averaging 5 cents a pound. They are packed in four basket crates for shipment and retail purposes.

A good demand for citrus fruit was apparent and the price on grapefruit advanced to \$3.75 a box. There was also a good demand for any oranges obtainable. There are at present not many oranges arriving. It is the quietest season of the year on this variety of fruit, owing to the fact that all shipments of Valencia have about finished and the arrivals of navel are too small to make any showing. Prices on first class oranges range from \$4.50 to \$5.00.

Prices on eggs advanced 1 cent. There was no change in butter. There were few sales of beans, but they were small and prices were steady. Receipts were only 50 sacks.

Sweet potato arrivals were 303 sacks. The demand for them was good, and the prices were steady, with an upward movement reported. Apples were plentiful in the morning's arrivals. Total number of boxes received were 12,714. The demand was not limited to any particular variety.

Orange Proposes Building Regulation—Harper is Building An Addition

Orange News: The board of trustees in adjourned meeting last night began action to control building.

On motion of Trustee Eltiste an ordinance specifying that nothing but class A buildings can be built in certain limits in the city of Orange, was ordered drawn up by the city attorney. The territory included in these limits is to be within one block of the plaza, both north and south on Glassell street, one block west on Chapman street, one block east on Chapman street, one block north of Chapman street and one block south of Chapman street. The limits are also to include in the neighborhood of half a block south of Chapman on Olive street. Nothing but class A buildings, which means either a solid brick, concrete or stone building, conforming with fire proof structural specifications, can be erected within these limits.

G. S. Harper is engaged in building an addition to his packing house to be used for the purpose of sweating oranges for the early market. The addition is 50x14 feet in size. He will also add a drying platform and an automobile garage to the house.

Mr. Harper has secured the services of G. G. Cole to assist him in the management of his own and the Randolph packing house at Placentia. Mr. Cole was formerly bookkeeper at the Olive Milling Co., and has been more recently with the Globe Mills in Los Angeles.

Miss Marjorie Wilson entertained nine of her girl friends last evening at her home on Shaffer street. The appointments of the affair throughout were suggestive of Halloween. The living room was bright with yellow chrysanthemums, which were combined with the pepper boughs and Halloween emblems, while in the dining room a profusion of red geraniums had been arranged. Each guest wore something representing grotesque objects, and the early part of the evening was spent playing games. At 9 o'clock a feast of home made candy, cookies, pumpkin pies, doughnuts and fruitade were served. Those who accepted invitations were: Flo Hutchinson, Eloise Nichols, Teresa Nichols, Margaret Martenett, Doris James, Dorothy Haynes, Maydell Jernigan and the hostess, Marjorie Wilson.

The members of the fire department and their friends held Halloween jinks last evening at the fire hall, said jinks taking the form of a costume party where the ban was on the white shirt and the patent leather shoes. The firemen and their guests spent the evening in adjudging fines for faults of dress and awarding prizes for costumes, besides discussing an excellent banquet consisting of chicken, mashed potatoes and gravy, salad, olives, pickles, ice cream, cake, coffee and pumpkin pie. Mrs. H. Winslow was given a pair of silk hose, as was also

so Mr. Clements for prize costumes, while K. E. Watson and Miss Iva Reeves received consolation prizes.

JUAREZ HELD WITH NO BAIL

Garcia Had No Weapon When He Was Stabbed by His Assailant

Martin Jaurez this morning was held to answer in the superior court for trial on the charge of murdering Jose Garcia. The preliminary examination was held before Justice Smithwick, with District Attorney Davis for the people, the defendant appearing without attorney. Three witnesses were examined, Jesus Macias, County Physician Ball and Coroner Smith.

Juarez stabbed Garcia while the two men were at work with a section crew on the Southern Pacific at West Anaheim on Oct. 28. Garcia's death occurred Oct. 29. The knife entered at the base of the neck on the left side and the point penetrated the right lung.

Jesus Macias, aged 20, saw the fracas, but did not know what the men were quarreling about. Garcia dropped a crowbar with which he was prying a tie, and Juarez struck when Garcia was unarmed. Juarez drew a knife from his bosom and struck at Garcia three times. The second blow grazed the shoulder, the third did not touch Garcia. Garcia seized a shovel, but did not use it.

Juarez is held to answer without bail. Juarez refused to make a statement.

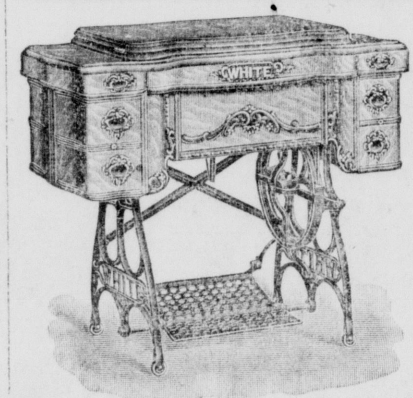

ODDS ARE FIVE TO TWO AGAINST MR. STIMSON AMONG N. Y. BETTERS

HEAVY WEIGHT TO WORK AGAINST ROOSEVELT'S MAN

NEW YORK, Nov. 2.—Jack Johnson is going on the stump to help defeat Roosevelt's candidate for governor, according to an announcement at the colored Democratic club headquarters. The fighter's chief argument will be Roosevelt's conduct in the Brownsville colored soldiers case, in which the negroes alleged there was nothing fair. Johnson is scheduled to make several speeches in the negro section of the city before election.

AEROPLANES FOR WAR DEPARTMENT

Gen. Allen Recommends Securing of Twenty Aircraft for Regular Army

WASHINGTON, Nov. 2.—Brig. Gen. James Allen recommends the acquisition of at least twenty military aeroplanes in his annual report for the fiscal year ended June 30 last, which was made public at the War Department yesterday. These machines, he says, should be in service in regular practice at different points of the country through the year and be present at the camps of instruction for the regular troops and organized militia.

LOS ANGELES ELOPERS WILL RESIDE IN MEXICO

SAN DIEGO, Nov. 2.—Mrs. Lucy Banning Greenleaf and Robert Ross, who disappeared simultaneously from Los Angeles Friday morning and who were found together Monday at Tia Juana, have definitely decided that they will not return to their homes, but will live in Mexico.

Yesterday Attorney Ward Chapman and Mace Greenleaf, the actor-husband of Mrs. Greenleaf, left Tia Juana after they had been told that neither Mrs. Greenleaf nor Mr. Ross would consent to return to Los Angeles.

FORECLOSURE ON 80 ACRES

H. B. Allen Has Begun Action on Mortgage Given by Robert H. Burnham

Suit has been begun by H. B. Allen to foreclose on eighty acres near Huntington Beach. The amount asked in the judgment is \$46,672.80. The chief defendant is Robert H. Burnham. The heirs of Thomas G. Otis, who died on June 30, 1908, are named as defendants as having inferior claims against the property.

The complaint states that on Sept. 14, 1908, Burnham gave a mortgage on the eighty acres to Allen to cover a note for \$30,750, on which note no interest and none of the principal have been paid. On Jan. 25, 1909, Allen advanced \$6,348.87 under the mortgage agreement, and on Oct. 26, 1910, he paid \$412.32 taxes.

A receiver is asked. Hasson, Hacker & Heath of Los Angeles are attorneys for the plaintiff.

LOST HER HAIR

Woman Almost Baldheaded Grew Four Inches of Hair

—Here is a piece of live news from Brownstown, Minn., that ought to interest skeptical men or women readers of the Register who are losing their hair or have dandruff or itching scalp.

Remember that the Rowley Drug Co. sells Parisian Sage under a positive guarantee to stop falling hair and itching scalp and eradicate dandruff in two weeks.

Parisian Sage is a most refreshing and daintily prepared hair dressing, free from grease or stickiness. It makes dull, lifeless hair radiant and lustrous.

"Parisian Sage is the best hair grower and beautifier and dandruff cure. I lost all my hair through typhoid fever; I was almost baldheaded and my scalp was as sore as could be. I tried everything, but in vain. Finally I tried Parisian Sage, and after using one bottle my hair started to grow and has grown three or four inches inside of two months. I advise every lady who wants beautiful hair to use Parisian Sage." Miss Meta M. Kruger, Brownstown, Minn., June 8, 1910.

Parisian Sage is only 50 cents a large bottle at Rowley Drug Co. and druggists everywhere. The girl with the Auburn hair is on every package.

Our Knox is the Hat of all Stiff Hats for the money.

Most of the Hats sold for more money, are no better—few are as good.

The shape is absolutely correct. We have all the different heights of Crown and widths of brim, in order to fit all faces perfectly. Blacks or colors.

We ask every Man, that appreciates a good Stiff Hat, to investigate the merits of this, the most popular member of the Knox Hat family.

Hand Painted China

THAT HAS THE

Merit of True Art

We have just received a shipment of hand painted Art China. This line was bought for our holiday trade, but came in early and is now on sale.

Every piece of this china is a gem of art, such as you would want to study and enjoy for years.

This China is the most perfect made. The painting which is of the highest order of art, is in those delicate, dainty tints and shadings depicting perfectly each subject.
